

SUMMER 2024/2025

# YEAR 5 NEWSLETTER

Message from Mrs Davies -

Welcome to Summer Term!

Where has this academic year gone? I'm excited for all the amazing learning coming up! Lots will be on our new website.

Curriculum highlights!

English - Letters and Diary entries based on WW2: Letters from The Lighthouse, Once and When the Sky Falls  
Maths - Shape, Angles, Position, Measures  
History - World War 2  
Geography - Climate Zones and Biomes  
Science - Biology: Living Things/Lifecycles  
P.E. - Cricket workshops/Dance (Lindy Hop!)  
Art/DT - Drawing/Collage (Lubaina Himid)  
Computing - Game Creator/3D modelling  
... and lots more on the website!

Cricket: We have an external provider coming in to lead workshops from Riddings Cricket Club! This will be every Wednesday afternoon. Please make sure we all have hats and sun cream, as well as water bottles.

DT: Your Class Needs You! We're learning sewing skills after half term with our Make Do and Mend project - any scrap material (think outgrown PJs etc) will be very gratefully received! If you fancy coming in to help, that would be fab too!

Every morning - English / Maths

Mon - P.E. / Science

Tues - Geography / History

Weds - P.E. / Computing

Thurs - R.E./French/Music with Mrs Liley

Fri - Art/DT

Wear P.E. kits to school on **Mondays** and **Wednesdays** please!

We squeezed 2 amazing trips into last term - Wollaton Hall and Sherwood Observatory. The class fully enjoyed these so thank you for your support - these trips really bring our learning to life! Coming up - we may have some WW2 visitors in school and we will be exploring the 'Jacksdale Solider' memorial and nature reserve to support our History and Geography/Science topics. We can't wait!
